

Elizabeth,

It's time for another issue of your Neighborhood Home Activity Report!

For most of us, our home is the largest investment we'll ever make. Below, please find an overview of homes that have either recently sold or are currently for sale near your address. I'll be sending this analysis every 90 days to help provide insight into local market conditions. If you find it useful, please feel free to forward it on to anyone you think might benefit from this information – and thanks again for your loyal business.
